

Product Submittal and AHRI Certification Evidence

Project: 27 Cedar Ridge Road, Port Hardy, BC V0N 2P0

Prepared for: Mini Home Energy Solutions

Document date: July 29, 2026

Installed heat pump system

Manufacturer / brand: TOSOT

System type: Ductless mini-split heat pump

Outdoor unit model number: TW24HXP2A1DO

Indoor unit model number: TW24HXP2A1DI

Furnace model number: Not applicable

AHRI certified product performance evidence

AHRI Certified Reference Number: 211177523

AHRI type: Split System - Heat Pump with Remote Outdoor Unit - Air Source

Model status: Active

The AHRI reference number above identifies the matched outdoor and indoor heat pump combination.

Certified performance summary

SEER: 24.0

SEER2: 24.5

HSPF Region IV: 11.0

HSPF2 Region IV: 9.5

Rated capacity at -5 C: 20,000 BTU/h

Cold-climate rated: Yes

Compressor staging: Continuously variable / variable speed

Product-list cross-reference

BC Hydro Qualified Heat Pump Product List: Ductless mini-split heat pump

Product list AHRI reference: 211177523

Product list make: TOSOT

Product list outdoor model: TW24HXP2A1DO

Product list indoor model: TW24HXP2A1DI

Installer note

This submittal is provided to document the matched heat pump components installed on the invoice and to support review of AHRI certified reference and qualifying product-list requirements.
